

Leawo Launches Christmas Deals with Free AirPods 3, 40% Discount on PhotoIns, and More

Leawo today officially launched their 2021 Christmas deals, including free AirPods 3, DVD Ripper freebie, and up to 50% discount on their hot-selling products.

Shenzhen, Guangdong Dec 16, 2021 ([Issuewire.com](http://www.Issuewire.com)) - December 25 will be here in just over a week, and all Christmas sales are in full swing. If people missed Black Friday or Cyber Monday, it is time to get those last-minute gifts at the end of the year sales. Leawo Software, a company specialized in multimedia solutions and data management software, today officially launched their [2021 Christmas Gifts, Contest, Giveaway & Specials](#) online sales. Starting today, until Dec. 30th, all participants can enjoy free AirPods 3, DVD Ripper freebie, as well as up to 50% discount on their hot-selling products.

Win AirPods Gen3 for Free

In October 2021, Apple unveiled its third-generation AirPods. They are Apple's newest AirPods with a more compact stem, redesigned countered fit, spatial audio support, and more. Now, in order to thank all customers who support this company, Leawo Software offers the third-generation AirPods for free. Customers who have purchased Leawo's products on their promo page can participate in this contest by following their Facebook or Twitter and sharing the campaign on either platform. They will randomly pick one from all participants on Dec. 30th, and the winner can get AirPods 3 for free.

40% Discount on Leawo AI Photo Editor – PhotoIns

Photography and Christmas seem to go hand in hand. In order to encourage people to use cameras to leave memories for their family and friends this Christmas holiday, Leawo Software specially offers a 40% discount on their AI photo editor – [PhotoIns](#). Currently, PhotoIns consists of 2 modules – [Photo Enhancer](#) and [Photo BG Remover](#).

Photo Enhancer is an AI-powered photo quality enhancer, which is capable of improving the quality of a batch photo in one click. When used as a portrait enhancer, it can enlarge and beautify eyes, retouch face and skin, remove wrinkles and freckles, etc. When used as a landscape enhancer, it can boost dynamic range and sharpness, optimize colors and contrast, correct white balance and exposure, etc. All in all, Photo Enhancer can easily make all imported photos look more comfortable and vivid.

Photo BG Remover, driven by a smart algorithm, is a one-stop photo background eraser. Once source photos are loaded, it will intelligently analyze photos and automatically remove background from images in batch. Users can choose to output a batch of photos in one click, or double-click to manually remove photo background one by one. After background removal, Photo BG Remover provides various tools for users to change and edit photos foreground and background.
