

Media Invest Entertainment Introduces Its Alien Diner™ Concept in India

New Delhi, Delhi Dec 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - Media Invest Entertainment in exclusive collaboration with Village Food Courts introduces its Alien Diner™ concept in India. All that has ever been discovered about Aliens can be found in this one-of-a-kind place. Discover a crazy-themed bar and restaurant with an eclectic mix of impressive props and alien artefacts combined with stunning high-tech displays and animatronics. An outer-worldly aesthetic and the unique “Rollercoaster” serving system make this restaurant the most incredible place to be.

New Delhi based Village Groupe owns Village Food Courts that offers unmatched FOOD + ENTERTAINMENT options where friends and families come together for celebrations.

Says Suraj Arora, Managing Partner of Village Groupe: *“We look forward to introducing the ultimate dining experience from outer space and really excited about the Alien Diner™ concept. Our partnership with Media Invest Entertainment has a lineup of many interesting entertainment concepts for Indian as well as southeast Asian markets.”*

Village Food Courts (VFC) is co-fooding platform offering multiple branded food options within local shopping centres and also on major highways. VFC is committed to bringing the best F&B options from around the world to local neighbourhoods with 10+ locations just in Delhi-NCR market. VFC is a “Growth Accelerator” for upcoming F&B Brands, Offering Unmatched Scaling Opportunity (targeting 200+ locations within next 5 years across local Shopping Malls and Major Highways).

Says Norbert Reichart, Chief Executive, Media Invest Entertainment: “*Alien Diner™ is our fully themed bar and restaurant concept, Rainforest Cafe and Planet Hollywood meet space 220 in an ultimate Alien setup. A one-of-a-kind place of fun, adventure, and discovery that will be offering health and organic food, hourly special effects show and educational exploration tours.*”

About Village Groupe:

Village Groupe is a Retail - Real Estate conglomerate that has successfully incubated multiple vertically integrated world class concepts for the Indian market using an innovative asset-light approach focusing on developments near airports, Tier - 2/3 cities and major highways. It's unique partnership approach has created some of the fastest growing companies like; Village Outlets - co-developing outlet centres across major Indian cities; CinePort - a cinema exhibition platform with an offering of mid-sized branded family entertainment centres, e-sports venues, and Virtual Reality arenas; and Village Food Courts - a leading F&B platform offering multiple branded food options within local shopping centres and also on major highways.

Village Groupe aspires to be a leader in themed commercial real estate developments across India offering the best of the world on a platter for both consumers and real estate investors.

About Media Invest Entertainment:

Media Invest Entertainment (MIE) is owner of global media rights to the ground-breaking bestselling book Chariots Of The Gods™, which sold over 70 million copies worldwide, and all other works written by Swiss author Erich von Däniken, the most successful non-fiction author in the world.

MIE is a corporate group specialising in media and entertainment which owns and controls rights to intellectual properties. The company increases the value and visibility of entertainment brands through content, media, marketing and licensing.

Currently, MIE is involved in £300M Blackpool central transformation project to create a “world-class, year-round leisure destination” at the former Blackpool Central railway station. Construction of the multi-storey car park and Heritage Quarter is expected to start in 2022 and will take about two years to complete.
