

Media Manthan Group Founder & CEO Sudhir Bishnoi Launched Media Manthan English Channel

Media Manthon Hindi Founded By Sudhir Bishnoi Launches Its Media Manthan English News Portal

Jodhpur, Rajasthan Dec 30, 2021 ([Issuewire.com](https://www.issuewire.com)) - India's Emerging Hindi news Portal, Media Manthon has launched its English portal after a huge demand by the audience. Sudhir Bishnoi, a journalist with years of expertise in the area, is in charge of the news platform. With his experience, [Media Manthan English](#) will now work in a variety of industries, and media brainstorming will now take centre stage alongside Hindi journalism. According to reports, [Media Manthan](#) would soon be expanded in regional languages, allowing India's burgeoning digital media platform to reach audiences of all languages, from distant rural areas to regional worldwide audiences.

The availability of [professional journalists has been greatly impeded](#) by the digital age we now live in, with its instantaneous access to information, click-bait culture, and citizen journalism. However, with so many new news outlets emerging in India, the future of journalism in the country appears to be bright. Through, Media Manthan News, Sudhir underlines the need to practise journalism under the radar. In his endeavour to provide insight into world events without sugarcoating the facts, he built a large audience based on trust and integrity.

Talking about the news portal, Sudhir Bishnoi said, "I believe that journalism is a very powerful tool to reach out to the audience at large number. Through Media Manthan Hindi we were able to generate news at a mass scale. As the Hindi portal progressed, there were many people who were comfortable at reading in English and due to high demand, I decided to launch the English portal also. I see making this the supreme foundation for every journalist out there so that any news that is delivered is completely neutral and presents raw facts as they occur. Through Media Manthan News, my entire team and I have been working diligently on this."

The leading journalist, Sudhir Bishnoi is actively working to raise the voice of the poor suffering, deprived Dalit, exploited farmers, and unemployed, due to which his image has shone a lot at the national level and he has continuously supported the demand of the audience. He has been always active across all social media platforms, has started a slew of activities aimed at uplifting those seeking a better way of life. He has assured that even those from the most remote parts of the country can grasp the profile by delivering content in the country's original language. Sudhir Bishnoi has years of expertise in the area, having started his career with News TV India, primarily covering political news, including the Rajasthan Assembly Elections in 2018 and the National Elections in 2019. In his work, he has infused the essential characteristics of sincerity and honesty, which he views to be the ideal of any true journalist.

As the fourth estate and a watchdog for corruption and injustice, journalists have an undeniable responsibility to be as skilled and hardworking as they are virtuous and ethical. Sudhir Bishnoi is putting his best foot forward with [Media Manthan](#) News to bring a revolution in the field of journalism.
