

Meet Md Abidur Rahaman A Popular Musical Artist & Entrepreneur From Hooghly District

Pandua, West bengal Feb 15, 2022 ([Issuewire.com](https://www.issuewire.com)) - **Md Abidur Rahaman** is an Indian musical artist, influencer, freelancer and internet celebrity who has made a big name in the world of digital marketing.

[Md Abidur Rahaman](#) is an influential artist, entrepreneur, blogger writer. Abidur was born on October 11, 2002, at the age of 19. He was born and raised in the Hooghly district of West Bengal. Abidur's father's name is "Md Anwar Ali" and his mother's name was "Nurjahan Bibi". He was very interested in trying something new since childhood. His classmates thought that his thinking was different from that of the other classmates. He never hesitated to experiment. At a very young age, he launched his company '**Tech Agency**'. with the dream of becoming one of the best in the digital marketing industry, including freelancers.

As a social media influence and marketing strategy, he promoted social messages, movies and brand videos on social media through his influential network all over India.

[Md Abidur Rahaman](#) said he should never stop learning. He believes that the day you stop learning, the day you stop earning. He further believes that his work should never be satisfied with it because it kills hunger. As an influential **freelancer and artist**, [Md Abidur Rahaman](#) has inspired many people and young people who are fighting to create a sign in this case. He writes books and adds helpful tips. [Md Abidur Rahaman](#) is an **Indian musical artist** who has already verified the largest music platform on [YouTube official artist channel](#) and [Spotify](#). He got the official artist channel on YouTube on January 30, 2022 and also verified [Spotify](#) as **an artist**. The name of his official Facebook fan page is "[Md Abidur Rahaman](#)". He started his music life in 2018 with his own little studio. He has done a lot of equipment. But in 2021 he published his first song.

He will become in the eyes of thousands of young people. If the goal is intact, beyond the boundaries of the country, the country will also match the status of successful freelancer. Such a young Md Abidur Rahaman. When the age has not passed thirteen, tell his dream. The time is 2018. At this age, he entered the world of freelancing from the will of doing something himself. Although the start experience is a little different. There are various types of obstacles to face. Yet Abidur did not give up.

Long five years of hard work and patience. With a little inspiration for moving a little further reached the edge of success. He is currently working as an International Marketplace Fiber and top-rated freelancer in **Upwork**.

Freelancer Md Abidur Rahaman is working on search engine optimization (SEO) in online marketplaces. The first position in the Indian rankings in Upwork is now his. Abidur is changing the success of long efforts, hard work and patience. Now he is earning more than 20 to 30 thousand rupees per month.

Abidur's dream is to do something for useless unemployed youth. There is no shortage of interest to show the way to get a horse by sticking to the freelancing profession of young people who have grown up in the village. He has developed a training center in his village to inspire young people. From where the new freelancer is constantly being created.

Also online Facebook page name '[Md Abidur Rahaman](#) and he has a YouTube channel called '[Md](#)

[Abidur Rahaman](#)'. He is going through various aspects of freelancing through live class taking there. Ismail is hopeful that this small initiative of his economic growth in India will soon turn into a large activity.
