

Meet Shravan Jakkula, a young Entrepreneur (Founder of Zip Digitals) and Music sensation in the Entertainment Industry

Hyderabad, Telangana Dec 31, 2021 ([Issuewire.com](https://www.issuewire.com)) - 20-year-old **Shravan Jakkula** is turning heads with his talent in the music industry. He is a **Music Producer, Artist & Content Creator** who already runs **three companies** at such a young age (**ZIP DIGITALS, The OutReach Global, SJ Mp3**). Originally hailing from Hyderabad, Telangana, he has earned a name for himself and got global recognition due to sheer hard work and determination. In fact, **he is Hyderabad's youngest and most successful Entrepreneur**. Leaving aside his success regionally, he has also become one of the

youngest sensations nationwide in India.

The young Entrepreneur founded **ZIP DIGITALS**, which turned out to be the leading Digital Marketing Agency in Hyderabad. Presently, the title upgraded to **India's Leading Digital Marketing Agency**. One of the primary sectors of his company is **App Designing, Website Designing, Search Engine Optimization, Social Media Marketing, Video Marketing, Audio Distribution** and he has released his music over some of the top music platforms such as Spotify, Gaana, Wink, and many more. He also has another business by the name of The OutReach Global.

Shravan Jakkula is looked up to by many people mainly the youngsters as one of the best Artists & YouTubers that our country has today. His ever-progressing goals and motivation to follow through with them inspires the youth of the nation to also start out on their success stories. Making his fans impatient Shravan is presently working to release several songs and collaboration with some of the top influencers and celebs of the entertainment industry.

He works with over **500 clients every day** and helps aspiring and talented people in gaining recognition. There is no doubt that his songs will be distributed over every music platform someday due to his hard work, talent, and dedication. **Moreover, the way he is progressing, he will gain global recognition in no time.**

It is hard to believe that Shravan has achieved so much at such a young age when he is still a student and has to pursue education simultaneously. **He credits his parents, friends, peers, and other family members for motivating and pushing him forward when he could not strike a balance between work and school life.** Thus, he believes that his success is not all due to him. It also includes these people who were his pillar of strength. Shravan still has a long way to go in the entertainment industry which is why he keeps working hard every day. His story is truly inspiring!
