

Metavorz Launched Vorz An NFT & Social Engagement App

The Metaverse is all about better Ownerships!

Metropolitan Manila Area, Philippines Dec 31, 2021 ([Issuewire.com](https://www.issuewire.com)) - The World of Metaverse is about recreating better ownerships and transitions of web 2.0 to web 3.0. Metavorz is the Gateway to Metaverse that allowed the people to join in and build the People's other kind of Metaverse environment. To make that happen, Metavorz launched its first Semi-Decentralized App called the Vorz around December 30, 2021.

[Vorz](#) is a short video and image sharing app with its dedicated NFT Marketplace that allowed the Metavorz to utilize its META Token utility use-case in a working project platform. The Vorz was powered by the Metavorz Governance Utility Token called the [\\$META](#) in which is available for trade in QuickSwap.

The Vorz App is still in its beta phase release in android and it will be available for IOS soon. The room for improvement is much anticipated as well to push the Virtual Reality, Augmented Reality, Blockchain Algorithm, and Artificial Intelligence biceps.

It included the fun in a social app that allowed the users to engage and level-up earning Vorz Coin that is exchangeable to META token and vice versa. Vorz will open its NFT Marketplace by (Q1 2022) to push its DeFi experience for both influencers and Artists.

Gamification was added here as well to push the project token incentive and app engagement for everyone to enjoy the NFTs and Entertainment app in one place. Users are co-founders that can earn META Token through the Vorz App Mechanism, in PK Live Battle, Rank Guilds, Live Concert, Gifting, Buying Vorz Coin, Leveling-Up, Velements, Ranking, and Evolving, etc.

Vorz already had believers call the ambassadors that joined the app to market the app as soon as possible.

Vorz is not just another Bytedance's TikTok that beats Google and bought Moonton's Mobile Legends. It is about the People's Freedom together building the next mainstream future in the Metaverse of Things. It will be the opening of the new year in 2022 that will push the Metaverse expansion. Happy New Year!
