

Michael Hollander, MD, a Radiologist with Specialty Imaging Associates

Get to know Radiologist Dr. Michael Hollander, who serves patients in Danbury, Connecticut.

New York City, New York Dec 27, 2021 (IssueWire.com) - A board-certified radiologist, Dr. Hollander is in practice at Specialty Imaging Associates in Danbury, Connecticut.

The mission of Specialty Imaging Associates is to provide comprehensive diagnostic imaging, and minimally invasive procedures and therapies in a patient-centered environment. Their sub-specialty-trained radiologists are committed to delivering exceptional care in a supportive, compassionate, and cost-effective manner. Using a combination of advanced imaging technologies and superior clinical expertise, they strive to achieve optimal outcomes for the patients and providers they serve.

Academically, Dr. Hollander attended the Royal College of Surgeons in Ireland, and graduated with his medical degree from the Georgetown University School of Medicine. He received his Graduate Medical Training at Hackensack University Hospital, before completing his residency in radiology at Beth Israel Medical Center and his fellowship in neuroradiology at Thomas Jefferson University Hospital.

As a testament to his continued education, the doctor has been recognized as a Diplomate of the National Board of Medical Examiners, and Diplomate of the American Board of Radiology, with a Certificate of Added Qualification in Neuroradiology.

Continuously advancing his efforts, he is an active member of the American Society of Neuroradiology, the Radiological Society of North America, the American Roentgen Ray Society, the New York Roentgen Ray Society, and the American Medical Society.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.
