

Mobolaji Odelowo, MD, DABR, an Interventional Radiologist and Endovascular Surgeon at Endovascular and Interventional As

Get to know Interventional Radiologist and Endovascular Surgeon Dr. Mobolaji Odelowo, who serves patients in Conroe, Texas.

New York City, New York Dec 1, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Odelowo is a board-certified interventional radiologist and endovascular surgeon practicing at Endovascular and Interventional

Associates located in Conroe, Texas. He has almost 20 years of experience performing advanced procedures.

At Endovascular and Interventional Associates, he and the team perform minimally invasive endovascular and non-vascular treatments and procedures. They routinely see patients who are living with conditions like edema, ankle discoloration, varicose veins, and peripheral vascular disease. They also treat patients who are affected by vertebral compression fractures, benign prostatic hyperplasia, and liver cancer. Communicating with both patients and their physicians, they provide excellent service, including post-procedure follow-up care as necessary.

Academically, Dr. Odelowo earned his medical degree from the University of Ilorin. He then completed his internship training in surgery and his residency training in diagnostic radiology at Howard University Hospital, where he served as Chief Resident. Finally, he completed a fellowship in vascular and interventional radiology at the University of Pennsylvania.

Board-certified in vascular radiology, interventional radiology, and diagnostic radiology, he is a Diplomate of the American Board of Radiology (DABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.

Among his various accolades, Dr. Odelowo has been the recipient of the Patients' Choice Award in 2018.
