Get to know Family Physician Dr. Mufid N. Khoury, who serves patients throughout the State of Arizona.

New York City, New York Dec 3, 2021 ([Issuewire.com](https://www.issuewire.com)) - An established family physician, Dr. Khoury is the Medical Director of Corebella Health & Wellness, working with patients at their offices in Tempe and Glendale, Arizona. He specializes in addiction medicine, urgent care, medication-assisted treatment, hormone replacement therapy, and individual and group counseling.

Since 2015, Corebella Health & Wellness has earned a reputation for being one of the leading health care providers in the Tempe and Glendale area. Committed to many more years of excellence, their highly trained, board-certified providers pave the way for quality treatment and care as soon as patients walk through their doors.

Graduating with his medical degree from the Wayne State University School of Medicine, Dr. Khoury completed his internship at the same educational venue, and completed his residency in family medicine at the Beaumont Hospital, Wayne.

As a testament to his continued education, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Among his various accolades, Dr. Khoury has been the recipient of the Patients' Choice Award in 2014.
