Miami, Florida Dec 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - [SportsEdTV](https://www.sportsedtv.com) has expanded its contributor collective by adding David Meggyesy as a senior contributor. His autobiography [Out of Their League](#) is one of Sports Illustrated's Top 100 sports books ever written.

“Nearly all our contributors have had stellar sports careers as athletes, but what separates David from many is the extended leveraging of his talents epitomized in the *Sports Consciousness and Social Change* course at Stanford University he went on to teach following his NFL days,” said Robert Mazzucchelli, Founder, and Chairman, SportsEdTV.

Meggyesy also serves as an advisory member of the Harvard University Football Player Study and on the board of Athletes United for Peace. He is co-founder of Esalen Sports Center and the Evolutionary Sports Collective.

"David views sports and the athletic experience as a powerful process for individual growth and social change, and that aligns neatly with our vision and mission," added Victor Bergonzoli, CEO SportsEdTV.

David Meggyesy's *Out of Their League* autobiography was selected by Sports Illustrated in 2002 as one of the top 100 sportsbooks ever written.

About [SportsEdTV](#): [SportsEdTV](#) exists to help athletes, coaches and parents LEARN, WIN, and CELEBRATE. We don't expect everyone who uses our learning tools to become a world champion - that's not our mission.

We do expect people who use our educational resources to become their champion, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it's becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness. “

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents, and coaches can interact, connect, chat, share content and find new friends. [SportsEdTV](#) videos feature coaching from world-class coaches and athletes - many of whom are or have coached world champions - and have been watched by viewers in every country in the world.
