The inspiring book by Mona Shibel is now available via major players in the global book distribution field.

**Dubai, United Arab Emirates Dec 17, 2021 ([IssueWire.com](https://www.issuewire.com))** - Passionpreneur Publishing has announced the release of *Becoming You* by Mona Shibel via the publishing industry's largest global book distribution networks. The book is anticipated to have a profound and elevating effect on its target audience.

In this must-read book, author Mona Shibel talks about spiritually-advanced concepts to help readers grasp that their manifesting powers are truly unlimited.

Many spiritually-aware people conceptually understand that they are creators but do not consciously embody that in every life area, sometimes even falling back into victim mentality when dealing with certain life circumstances. *Being You* helps readers take their manifesting abilities to the next level, allowing them to create and joyfully live their life in their highest form.

The book covers spiritually-advanced concepts to help readers grasp that their manifesting powers are without limit and shows them, step-by-step, how they can align with their unique signature vibration to live the extraordinary, curious, adventurous, and imaginative life that is their birthright.

The book is now available to inspire readers across the globe through the IngramSpark distribution network and other affiliates which will cover print-on-demand across the UK, Europe, USA, Australia, New Zealand, and the Middle East. The e-book is available in 25+ online bookstores like Amazon, Kindle, Barnes & Noble, and Apple Books in the Middle East.
