Houston Producer/Songwriter Da Sultan Sedan Signs exclusive management deal with Liner Entertainment Group Inc

Houston, Texas Dec 4, 2021 ([Issuewire.com](https://www.issuewire.com)) - Liner Entertainment Group Inc, A Talent Management firm in Houston Texas has signed Houston artist songwriter/producer **DA SULTAN SEDAN** to an exclusive management contract. Dianna Liner the CEO of Liner Entertainment Group Inc discovered the talented Producer/Songwriter via music associate.

Born Wil Addison Caddie aka “ **Da Sultan Sedan**”, Wil was born and raised in Baytown Texas a small town 30 minutes east of Houston Texas. Da Sultan started his music journey at an early age writing poetry and writing short stories in the 5th grade. His talented writings got one of his poems published. It was then his parents knew that had a talented son on their hands.

Trying to follow in the footsteps of his dad, Wil played football in High School. While in High school things were not good at home financially. Wil had to sell drugs just to help his family pay the bills. He got into a lot of trouble but in the back of his mind, he knew he would one day get out of the hood to make his dreams come true to help his family. Along with playing football, Wil also won several awards in other sports such as Track and Karate.

Wil came from a talented family. His parents worked in a nightclub in Raywood Texas so Da Sultan Sudan was around music all of his life. His love of music came from both of his parents. They taught him the love of music would set his soul free and take him to places has never been. Growing up he was surrounded by artists such as The Isley Brothers, Prince, and more. He got the music bug at an early age and he knew he wanted to be in music. At an early age to pay for his first boom- box Wil started working in the neighbor cutting neighbor’s grass.

Later Wil and a good friend from South Africa got together and started writing songs. They eventually built a homemade studio and start spitting out tunes and rhymes. Not wanting to be put in a certain category Wil decides his music and style as Emo/HipHop Pop. He has dreams of collaborating with artists in both Hip Hop and Rock.

His music influences run a gamut of artists such as Prince, Bon Jovi, Korn Boys II Men, Aerosmith Tool, Tu-Pac, the cure, and more. Da Sultan Sedan is working on his first official single titled “TORN” Which will be released later this year.

Along with releasing his own music, Da Sultan is also available to collaborate and write for other artists.
