Miami, Florida Dec 5, 2021 (Issuewire.com) - What is your name and what city do you rep?

Tigg: I am Young Tigg and that's Wild Rellzz and We are Proj3ct Miami From Miami.

Rellzz: Gang!!

What is unique about you and your music?

TIGG: Well our sound is from the new and old era.

Relzz: We are the new gritty party music. And it's thanks to our Miami roots and growing up in both Miami and Atlanta, Ga. It shaped our Sound.

What shaped your music?

Tigg: Battle rap and growing up in a party family that lived in the hood, shaped and molded our music from the streets.

When did you realize you were going to make music professionally?

Relzz: Young Tigg started Taking it professionally in 2010 and I followed in 2016. I didn't see music for me, I was really a dancing nigga.

What type of music do you listen to?

Tigg: We listen to all music can't limit ourselves.

Who, to you, is the most undervalued music artist?

Relzz: I think Lil Wayne is undervalued because he was ahead of his time and now people are on his wave calling it theirs.

Tigg: I think Ace Hood is, People slept on him.

Who would you collab without an Artist or Producer?

Tigg: would collaborate with any artist we feel is dope.

Success to you is...

Relzz: Being blessed from Jehovah so much, your winnings are overflowing whether it be from health, money, or just good living.

What do you wish you were told when you first started making music that you think would help an artist starting out?

Tigg: Have your money right cause this industry isn't free, and once you start the process don't ever stop the process.

Any upcoming projects or tracks you are apart of?

Tigg: New project we have dropping "Jus N Time 4 Da Holidayz"

Where do we find your music / social media?

Relzz: Our music is online, you can find it by searching Proj3ct Miami on iTunes, Apple Music, Spotify, Tidal, YouTube all streaming sites, Gang!!
