

Rising Star Elle L has Shared her New Melodious Song 'Higher' with her Fans

Aesthetically beautiful the new song 'Higher' by the rising star Elle L will twirl the world around you with her melodious tone and magnificent lyricism.

London, Dec 6, 2021 ([Issuewire.com](https://www.issuewire.com)) - Nothing conveys better than music, the recently released song '[Higher](#)' by the rising star **Elle L** is doing the complete justice of it. This new emerging pop culture artist has inspired the whole world with her new single. It is a beautiful song which is motivating people. It talks about surrendering yourself with fearless love. This song has a very

intriguing tone, which makes people listen to it on loop. The stunningly delicate vocal mixes with the simple tune of the guitar and the poetic effect make it utterly beautiful. The best part of this song is the heartfelt lyricism and the hooking tune of it. This song belongs somewhere between dream pop and dance-pop, by doing it Elle has taken a risk by trying something new and we must say it is worth taking the risk. Now she is all ready to conquer the world.

Growing up in the outskirts of London **Elle L** was always interested in music, and over that her mother is a piano tuner so she has always been around instruments since her childhood. So, it provoked the inner musician of her and let her come up with some of the best tracks like **'Higher'**. She is not only an immensely talented pop singer, she works as an environmentalist also. Her campaign with UNESCO is called Kindness. Well, it is not only her voice but her heart is also made of pure gold.

She has done a couple of songs and those are **'Hoping'** and **'Circles'**. **'Hoping'** was her debut single which got a lot of success, critical acclamation, and recognition from all around the world. It is the catchy pop melody that clicks instantly. To listen to other songs you can always head to Spotify and enjoy. For interacting with the fans, this pop artist has come on social media, so you can follow her on [Facebook](#), [Instagram](#) and [Twitter](#).
