

Sanjeev K. Shroff, MD, a Cardiologist with Orlando Health Heart & Vascular Institute

Get to know Cardiologist Dr. Sanjeev K. Shroff, who serves patients in Orlando, Florida.

New York City, New York Dec 23, 2021 ([Issuewire.com](https://www.issuewire.com)) - A board-certified cardiologist, Dr. Shroff joined the Orlando Health Heart & Vascular Institute in 2001. His clinical interests include IIB/IIIA inhibitors in acute coronary syndromes and collateral circulation development, level-three echocardiography, diagnostic catheterizations, nuclear cardiology, and stress echocardiography.

The Orlando Health Heart & Vascular Institute is committed to providing you with the highest quality, most compassionate heart and vascular care. Their mission is to keep patients informed each step of the way and help them stay involved in every decision about their care. Their specialists use the latest technology and procedures to deliver the best possible heart and vascular care. With locations throughout Central Florida, their award-winning cardiovascular care is convenient and close to home.

Academically, Dr. Shroff earned his medical degree from the University of Florida in Gainesville, where he also completed his internship and residency in internal medicine. He then completed his fellowship in cardiovascular disease at the University of Maryland College of Medicine in Baltimore.

In pursuit of clinical excellence, the doctor is board-certified in cardiovascular disease and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Remaining up to date in his field, he is an active member of the American Heart Association, the American College of Cardiology, the American Medical Association, and the American College of Physicians.

Cardiology is a branch of medicine that deals with disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiologists are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).

Among his various accolades, Dr. Shroff has been the recipient of the Compassionate Doctor Recognition (2018, 2017, 2016, 2015, 2014), Patients' Choice Award (2018, 2017, 2016, 2015), On-Time Doctor Award (2018), Patients' Choice 5th Anniversary Award (2020), and Compassionate Doctor Award - 5 Year Honoree (2020).
