

Singer Ahmed Matareed produces a new song called Waiting.

A new song by the artist Ahmed Matareed

Cairo, Egypt Dec 17, 2021 ([Issuewire.com](https://www.issuewire.com)) - Singer Ahmed matareed released a new song entitled "Pending" on social networking sites and YouTube, and the song received wide interaction and positive reactions from the public following its release. For his part, Masri said that he recently finished recording two new single-style songs, "Mitlostrounish" and "Sories Store", explaining that the songs vary between popular color and singing, and are scheduled to be released in the coming period.

It is worth mentioning that the song "Khaininin - Jainin" is the seventh song that the singer "Masri" has been released so far from his new album in the style of the single, where many songs have already been released: "Qibla of Life", "I opened its.
