

Slims Place partners with Snoop's Premium Nutrients inspiring everyone to grow green initiative

Slims Place is the Official Distributor of Snoops Premium Nutrients for UK, Europe, Asia, Australia, Africa & South American Countries.

hounslow, Middlesex Dec 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Slims Place is the Official Distributor of Snoops Premium Nutrients for the **UK, Europe, Asia, Australia, Africa & South American Countries.**

Snoop's Premium Nutrients is a premier product line, developed in Holland exclusively for the Horticulture industry.

"I have a long-time passion for the best quality plants and have come to learn that you only get quality out if you put quality in," Snoop Dogg said. "This is why I reached out to scientists worldwide who could formulate a line of nutrients, using only high-quality liquid ingredients that deliver exactly what plants need," he added. "When you're using Snoop's Premium Nutrients, get ready for premium yields and quality."

Snoop's Premium Nutrients feature:

- Pharmaceutical grade liquid ingredients sourced from the Netherlands and the UK
- Highest quality EDDHA chelated Iron
- Nutrients available for the Start, Grow, and Bloom phase
- Bespoke recipes for Non-circulating and Circulating watering systems, as well as coco
- Revolutionary enriched [PK Booster](#), [Root Stimulator](#), [Bloom Stimulator](#), and [Enzyme](#) products.
- Feeding charts optimised for Coco, Hydro & Soil.
