**Delhi, India Dec 19, 2021 ([Issuewire.com](http://Issuewire.com))** - Does your child often make spelling mistakes while he writes in English? Does your child often mispronounce certain words of English? Does your child feel underconfident when speaking English as a communication medium? Spellasaurus offers you the right solution to your problem.

Spellasaurus is launching its Back to Basic English course online just for your child. In this course, you will get an overview of Phonetic Sounds, Vowel Sounds, Phonemes, Doodle Videos, Engaging Activities, Interactive Games, and Downloadable Worksheets. **This course can be taken by 9-years old and above.**

You can avail of this course at a 50% discount at a launch offer till 31st December 2021. You can get this course now at <https://lms.spellasaurus.in/> just at 350 INR as a limited-time offer. The actual price of the course is 700 INR. So grab the seat for your child now and avail of the launch offer.

Spellasaurus courses have been designed after years of expertise, and course creator Ruchi Sharma believes that here at Spellasaurus, the approach can be unconventional, yet, it contributes significantly towards bridging the gap between what is, and what it should be to ensure effective learning. Here, you will get various courses like Basic English, Syllables, Consonant Friends, Prefixes and Suffixes, Root Words, Language of Origin, and many other courses. This will not only help your child become confident in learning spelling & writing English but will also improve their command of the English language. Eventually, these courses will boost their overall confidence that enhance your child's English communication skills.

Spellasaurus is an Ed-tech company based in Delhi, India. The main aim of Spellasaurus is to make the English language simple for you. It provides effective, simple, and fun tactics through which your child can become proficient in building blocks of the English language. Spellasaurus serves not only children but also adults. Visit their website at <https://spellasaurus.in/>. For any additional queries, you can also contact them at [connect@lms.spellasaurus.in](mailto:connect@lms.spellasaurus.in).
