New York City, New York Dec 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - An accomplished endocrinologist, Dr.

Reddy is affiliated with Endocrinology Associates, PA, serving patients in the Scottsdale and Chandler areas. She specializes in the treatment of endocrine disorders and has an interest in the management of transgender patients.

Endocrinology Associates, PA was founded over 40 years ago and is under the direction of Dr. Daniel Duick, Dr. Chandana Mishra, and Dr. Sreedevi Reddy. They believe that being a good physician is more than just being knowledgeable about one's specialty. It must also include compassion, empathy, recognition of differences in culture and religion, and humor to help weather the vicissitudes of life's journey. They try their best to provide these elements to patients in their interactions.

After completing her medical education at Osmania Medical College in Hyderabad, India, she relocated to the United States and completed her residency in internal medicine at the Maricopa Medical Center Mayo Clinic. Finally, she completed her fellowship in endocrinology at the Good Samaritan Regional Medical Center.

Passionate about her profession, the doctor is board-certified in endocrinology, diabetes & metabolism, and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Endocrinology is a branch of biology and medicine dealing with the endocrine system, its diseases, and its specific secretions known as hormones. Endocrinologists have the training to diagnose and treat hormone imbalances and problems by helping to restore the normal balance of hormones in the body. The common diseases and disorders of the endocrine system that endocrinologists deal with include diabetes mellitus, as well as adrenal, pituitary, and thyroid disorders, among others.
