Los Angeles, California Dec 17, 2021 ([IssueWire.com](https://www.issuewire.com)) - Matt Fortnow is the cofounder of Blockchain Guys, a premier blockchain and cryptocurrency consultancy. He has created the official NFTs for brands such as The Three Stooges. Matt shares his extensive NFT knowledge in The NFT Handbook (Wiley Publishing). It is a guide on how to create, sell and buy NFT tokens without the need for technical background.

The book provides practical knowledge about all aspects of NFTs and is user-friendly. A review from Joe states, "I have bought and sold NFTs for over 2 years now and I still picked up a lot from this book. Great for all experience levels and worth every penny".
