

Theklicker is an e-commerce tool that provides a directory of products for consumers to efficiently buy online.

It is a mobile search with an extensive price comparison. The prices shown come from numerous mobiles and booking websites from different ecommerce portal.

theklicker

Palo Alto, California Dec 22, 2021 ([Issuewire.com](https://www.issuewire.com)) - Theklicker is an online directory that compares the prices of mobile phones from different websites. Theklicker was started for popular consumption at Engineering college. You can use theKlicker to; 1. Search for mobile 2. Find out mobile prices from different websites 3. Compares mobile phone 4. See a visualisation of your e-commerce etc. Its mobile

search allows users to compare mobile prices in just a few clicks from more than 50 to 100 booking ecommerce sites for a million in more than 20 to 40 countries all over the world. With 20,000 to 30,000 visits per month to its site, customers regularly use theclicker to compare prices of mobile from major booking websites to buy their mobile phones. They can also compare prices from domestic as well as international ecommerce websites which ship their product from one country to another.
