

Thomas S. Parker, MD, FACP, an Internist in Private Practice

Get to know Internist, Dr. Thomas S. Parker, who serves patients in Austin, Texas

New York City, New York Dec 1, 2021 (IssueWire.com) - Dr. Parker is a board-certified internist practicing through his private practice in Austin, Texas. He values patient education and believes in building trust with his patients for better outcomes. He is licensed to practice in the state of Texas. Earlier in his career, he was affiliated with Gonzales Healthcare System in Gonzales, Texas.

Dr. Parker attended the University of Texas Medical Branch at Houston in Houston, Texas, and received his medical degree in 1978. He then pursued his internal medicine residency at Texas A&M - Scott and White Memorial Hospital, graduating in 1981.

Subsequent to his education, the doctor attained board certification in internal medicine through the American Board of Internal Medicine (ABIM). The American Board of Internal Medicine is a 501 nonprofit, self-appointed physician-evaluation organization that certifies physicians practicing internal medicine and its subspecialties.

Internal Medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Internists are skilled in the management of patients who have undifferentiated or multi-system disease processes. They care for hospitalized and ambulatory patients and may play a major role in education and research.
