

VoiceBharat News doing innovation in journalism.

kolkata, West bengal Dec 15, 2021 ([Issuewire.com](http://www.Issuewire.com)) - Journalism has become a challenge these days. In the old days, there was a lack of mass media but now there is a lack of news. Due to many so-called news media, people are slowly losing faith in the veracity of the news. Once upon a time all the media/journalists together tried to present a piece of neutral news by helping each other, but now the so-called media is destroying this industry in the cycle of competition. But the good news is that VoiceBharat News is trying to solve this problem.

VoiceBharat News is an Authorised News/Media in West Bengal, India. Registered as VoiceBharat News, found on 1 June 2021 by VoiceBharat Media Pvt Ltd. The Basic Language of VoiceBharat News is Bengali and it represents Bengali Culture. VoiceBharat News Team Streaming Daily Updates Point to Point From Spot and Publishing Members are working 24/7 for Streamlining Breaking News, Stories, Updates, etc. They always try to publish accurate news without discriminating religion, tribe, nation, country, friend, or foe.

VoiceBharat News has become very popular through 1 step whose name is "1 Takar Golpo" That Means 1 Indian Rupees Story. Any writer can publish his writing for free here, however the official team checks once it is worthy of publicity. Then everyone can read that story for free and if anyone wants, They can give only 1 Indian Rupee grant/honor. It protects the culture because it helps each writer financially and resists all unhealthy competition.

This path of [VoiceBharat News](#) has not been so easy, it has come so far with the efforts of two intelligent people with a group of young journalists, the desire for just journalism. Let's Know How they changing the world.
