New Delhi, Delhi Jan 5, 2022 ([Issuewire.com](http://Issuewire.com)) - To enhance the communication skills of students and working professionals, also to motivate them to express their views on a public platform '10,000 speakers' is launching an opportunity to participate in the public speaking competition "WAR OF WORDS" (English, Hindi, or Hinglish) through online mode, this debate objective is to provide a platform to the young minds who want their voices to be heard, students and working professionals from all the

departments are cordially invited to participate actively in the debate. The competition starts with three thrilling rounds including a video and two live speech rounds. The whole event is judged and managed by professional experts. For the first round, the participants are given a set of topics and are required to create a short creative 2 to 3 minutes video on any of the given topics of their choice and submit it to the website on or before 15th January, the topics are; Is India's youth responsible for its future? , Importance of friends in life, Is cinema hall culture going to die?

The top 100 contestants are selected to round 2 and topics will be given during the live competition, top 20 contestants are selected for the final round which occurs on January 30th, where the final winner of the "WAR OF WORDS" can get a chance to win attractive prizes and certificate too and the fee to enroll and explore this wonderful opportunity includes payment of just minor Rs.100! for students and Rs.200! for working professionals.

Inspiring judges for our debate are Sagar Ranshoo, a communication coach and start-up mentor, Bhowmick Sen, a public speaker and mines head coach, and two times TEDx speaker Abhishek Sen Gupta. Abhishek Gulia, founder of 10,000 speakers global community organized 3 seasons prior to this with 3000+ happy participants willing to participate again, around 55 prizes being distributed, so speakers don't miss out on this exciting experience testing your skills for attractive prizes along with a valuable certificate, this debate is a valuable tool which offers students with several skills such as critical thinking, research, and see multiple perspectives, build confidence and communicate effectively, don't miss out the opportunity enroll and upload your creative video on or before 15th January and turn your hands in for an amazing, fun-filled professional WAR!!!. So what's stopping you click on the link below to enroll now...<https://www.10000speakers.com/s/store/courses/description/WarofWords-Jan22>
