ADDSHOP E-RETAIL is your one stop solution to ensure health and wellness

ADD-SHOP E - RETAIL LTD.
World's Greatest Opportunity

Rajkot, Gujarat Jan 30, 2022 (IssueWire.com) - Good health is central to human happiness and well-being that contributes significantly to prosperity wealth and even economic progress, as healthy populations are more productive, save more, and live longer. Dadaji home mart has been consistently advocating our age old effective medicine system Ayurveda and has developed several effective and efficient ayurvedic products. GAUPIYUSH Capsule is one among the many other products of ADDSHOP E-RETAIL that attempts to prevent diseases than cure them. GAUPIYUSH CAPSULE serves people across all generations from kids to adults, gaupiyush Capsule proves to be beneficial for all.

Successfully established entrepreneurs Smt. Jayshree Pandya and Shri Dinesh Pandya have recently commenced their new venture DADAJI HOME MART after gaining immense success in their venture ADDSHOP E-RETAIL LIMITED. The team of DADA organics is proud of our Indian heritage and their new venture lays emphasis on the same with an intent to extend and gradually increase employment opportunities to the women of INDIA by giving them a platform to commence business with low capital

investment.

Ayurveda is a traditional Indian system of medicine. It aims to preserve health and wellness by keeping the mind, body, and spirit in balance. Ayurvedic herbs and spices are also an important component of this approach. They're thought to protect your body from disease and offer a variety of health benefits.

Apart from this, ADDSHOP company is working for - the last 7 years and has rendered Employment to a minimum of 1 crore people and is also working on a mission - Disease Free India where in they help the farmers conduct organic and Poison free farming and contribute towards the prosperity of Farmers. ADDSHOP also curated chemical free and herbal cosmetics. and their wonderful and valuable achievements include more than 100 awards from various recognized and prestigious institutions and associations.

Entrepreneur SHRI DINESH PANDYA's wonderful and valuable achievements include the achievement of being titled as "leading industrialist of Gujarat". He has also been honored by the very prestigious institution GOLDEN BOOKS OF WORLD RECORD - the USA, "KRUSHI MAUL AWARD" - swami smarth Sansthan. He has also been awarded "SHRAMA RATNA" by the government of Gujarat. He has been awarded more than 50 awards at the state and national level which is commendable and his new venture ADDSHOP E-RETAIL is sure to go a long way owing to his skills, aptitude, talent, and experience of the founders. In 2016, Indira Gandhi Krushi University, Raipur, Chhattisgarh awarded him for his Zero Budget Farming.

His unit producing organic manure has received the best KVIC Unit award by Shri Vinay Kumar Saxena Ji, chairman of KVIC in 2017.

Dineshbhai Pandya is a visually impaired first generation social entrepreneur and For the last 20 years, he has been constantly contributing towards the upliftment of farmers by working on a mission called Poison Free Farming, Rich Farmer, and Progressive Village. He is helping divert farmers towards organic farming and to reduce and gradually stopping the usage of chemical fertilizers and pesticides. He has conducted around 1200 village shivers and diverted more than 30,000 farmers towards organic farming. Considering the fact that Dinesh Pandya is visually impaired, his contribution to society is really commendable. Apart from this, since the economic condition of our farmers is poor he is also teaching them how to be entrepreneurs and become self-reliant.

During these trying times of covid 19 lockdown and during unlock phase Dineshbhai has provided employment opportunities to more than 10,000 people. He also adopted around 100 families, whose earning persons died in Covid. He also helped around 12,000 students with full-scape notebooks. He gifted around 3,00,000 cloth Masks of Gondal Udyog Bharati Sanstha and did his bit to prevent society from Covid. He has also provided a computer lab with 50 computers in a government school in his village, which is the biggest lab across all the villages in the Bhavnagar district of Gujarat.
