New York City, New York Jan 27, 2022 ([IssueWire.com](https://www.issuewire.com)) - A knowledgeable hospitalist, Dr. Girme is affiliated with MedOne Hospital Physicians in Columbus, Ohio.

MedOne Hospital Physicians is a team of clinicians dedicated to providing the highest quality care in the most efficient manner for their patients. Founded in 2000, they have grown to be the largest physician practice exclusively dedicated to hospital medicine in Central Ohio. They have been successful because of the quality of their people and because of their focus on service and excellence in patient care.

A native of India, Dr. Girme earned her medical degree from the BJ Medical College in 1995. After relocating to the United States, she completed her residency in internal medicine at the Charleston Area Medical Center in 2011.

An expert in her field, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Hospital medicine is a medical specialty that exists in some countries as a branch of internal or family medicine, dealing with the care of acutely ill hospitalized patients. The primary focus is caring for hospitalized patients and co-management with other specialties. Hospitalists take an active part in medical care and ensure a safe discharge for the patients they take care of. They are being increasingly involved in administrative roles, given their expertise and collaboration with various teams in the hospital.
