

# AIC Learn India collaborates with Tekedia Institute Boston USA

Global Mini MBA program in India

**Mumbai, Maharashtra Jan 24, 2022** ([IssueWire.com](http://IssueWire.com)) - We are excited to share the news of AIC Learn collaborating with the great Tekedia Institute to offer amazing programs in India.

Prof. Ndubuisi Ekekwe states, The amazing [#India](#), we welcome you to Tekedia Mini-MBA. Extremely very excited about the responses which we are getting from schools, companies, and learners. The team led by [Asif Chowgule](#) is available to answer all questions. I also want to thank specifically the recruitment agencies in India which are providing new vistas to prepare the workforce for the future.

In India, to register for the next edition of Tekedia Mini-MBA or any [Tekedia Institute](#) program, please reach out to Asif. Just today alone, 50 joined - it looks really amazing.

Tekedia Institute prepares innovators, change-makers, professionals, and students on the mechanics of market systems. Learners from 39 countries attend our programs.

Tekedia Institute offers growth-innovation programs which include non-credit Tekedia Mini-MBA to professionals, students, governments, and companies, across markets and industrial sectors. For more, <https://school.tekedia.com/>
