

Alex Lawrence, RN, MSN, FNP-C, a Family Nurse Practitioner with Timeless MediSpa

Get to know Family Nurse Practitioner, Alex Lawrence, who serves patients in Longview, Texas.

New York City, New York Jan 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - Alex is a certified family nurse practitioner currently serving her patients at Timeless MediSpa in Longview, Texas. She has been performing injections since 2015 and developed a passion for aesthetics and wellness quickly. Her individual technique has been mastered for lips and facial contouring. She has a very natural approach to lips and is focused on preserving the natural contour and beauty while augmenting to meet the clients' goals.

The goal of Timeless MediSpa is to provide a world-class spa experience; a place where luxury and elegance combine to meet superior treatments for a rejuvenating and memorable experience. They strive to give their clients a renewed sense of self by allowing them to look as good as they feel and feel as good as they look.

Academically, Alex obtained her Bachelor of Science in Nursing degree from the University of Texas Health Science Center in 2011, and her Master of Science in Nursing degree in Family Nursing in 2015 from Texas Tech University Health Science Center.

As a testament to her continued education, she is certified as a family nurse practitioner by the American Academy of Nurse Practitioners (AANP).

In order to remain up to date in her field, Alex maintains a professional membership with the American Association of Nurse Practitioners, the American Nurses Association, The Sigma Theta Tau International Honor Society of Nursing, and the Texas Nurses Association.

A Certified Family Nurse Practitioner (FNP-C) holds certification and provides continuing and comprehensive healthcare for the individual and family across all ages, genders, diseases, and body systems. FNPs maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.
