

AMARICO (PTY) LTD becomes an accredited partner of Value Delivery Factory

Midrand, Gauteng Jan 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - Amarico is honored to announce that it has become an Authorized Training Partner of Value Delivery Factory for the African Region. This partnership will ensure that the respective companies combine their expertise, offering and organizing Certified Site Reliability Engineering (SRE) courses, amongst others.

“All certificates and accreditations available through Value Delivery Factory reflect the most current methods, trends, and strategies in Site Reliability Engineering,” says Mr. Yogesh Rajput, Managing Director of Value Delivery Factory. “We believe our training courses perfectly complement Amarico’s Services and this partnership will enable us to provide learners a cost-effective way to invest in their professional careers.”

Mr. Nadeem Augustine, Co-Founder and Director, Amarico(Pty) Ltd;

“Amarico has worked with Value Delivery Factory for well over a year and see the benefit of partnering and collaborating with industry leaders who align with Amarico’s vision of Intelligently Enabling Enterprise Agility through the coaching and skilling of people.” Says Nadeem Augustine, Co-founder & Director, Amarico(Pty) Ltd; “Amarico was formed with a mission to disrupt old ways of working and embrace the digital evolution across industries with a focus on needs and role-based skills in the field of Cloud, DevOps, Agile, Service Level Objectives and SRE; all enablement capabilities to thrive in the new digital world. Amarico is looking forward to having long-lasting collaboration and partnership with Value Delivery Factory, in providing quality training and education, leading to certifications in Site Reliability Engineering (SRE).

About Value Delivery Factory

Value Delivery Factory is an open, global community for Site Reliability Engineering skills development. VDF aim to advance individual careers and transform organizational achievements by advancing the profession of Site Reliability Engineering through globally recognized standards, tools, publications, resources, professional development courses, certifications, applied research, and networking opportunities.

Our SRE Certification portfolio includes three levels of certifications: Site Reliability Engineering (SRE) Fundamentals™, Site Reliability Engineering (SRE) Practitioner™ and Site Reliability Engineering (SRE) Leader™

We are open to suggestions, recommendations and contributions by our global members and partners. For further information about VALUE DELIVERY FACTORY, Please visit <http://valuedeliveryfactory.com/> or email at contact@valuedeliveryfactory.com.
