

## Annual Hosting Industry Awards 2021 by HostingSeekers Announced

**Mohali, Punjab Jan 3, 2022 ([Issuewire.com](https://www.issuewire.com))** - Last week, the results for the long-awaited Hosting Industry Awards 2021 were announced by the Awards Organizers, HostingSeekers. The results were announced on the HostingSeekers website on Thursday, 30th 2021.

The finalists were selected following a rigorous judging process across three categories:

- **Top Web Hosting Companies 2021**
- **Most Popular Hosting Companies 2021**
- **Best Web Hosting Support Providers 2021**

More than 500 entries (partner companies) were received for the Annual Awards. A total of 50 top companies were nominated for the awards. The winners were selected based on hosting services, customer satisfaction, reviews, and annual service record.

The complete list of winners is available here: <https://www.hostingseekers.com/web-hosting-awards-2021>

### The Event

The judging panel included industry leaders and marketing experts of the HostingSeekers company. The winners have received digital certification and trophies for their specific categories.

Speaking on the announcement, Manvinder Singh, CEO of HostingSeekers.com said, “*The web hosting industry is booming like never before. And it is an honor to recognize the top web hosting providers for their outstanding work and excellence*”.

“*I congratulate the winners for demonstrating their dedication and commitment to innovation and customer satisfaction*”, he further added.

The partner companies include small to midsize hosting companies that have contributed a great deal to support organizations in their digital transformation journey.

Seeing the overwhelming response of the partner companies, the popular hosting listing directory, HostingSeekers has decided to host the Hosting Industry Awards annually from now on.

### **About HostingSeekers**

HostingSeekers is a trusted platform that offers comprehensive solutions featuring genuine reviews, expert advice while comparing thousands of hosting services.
