

Anthony S. Krause, MD, FACS, a Plastic Surgeon with The Skin Center of Wisconsin

Anthony S. Krause, MD, FACS, a Plastic Surgeon with The Skin Center of Wisconsin

New York City, New York Jan 26, 2022 ([IssueWire.com](http://www.IssueWire.com)) - A highly trained plastic surgeon, Dr. Krause works with patients at his private practice, The Skin Center of Wisconsin. He specializes in procedures such as QuickLift, wrinkle reduction, body sculpting, natural breast augmentation, rhinoplasty, eyelid surgery, and fat transfer.

Back in the early days of his academic career, he earned his medical degree from the University of Michigan Medical School in 1969. He completed his residency in general surgery at Saint Joseph Hospital in 1971, followed by a residency in otolaryngology at the Washington University in St. Louis School of Medicine in 1976.

Recognized as a Fellow of the American College of Surgeons (FACS), the doctor is board-certified by the American Board of Otolaryngology-Head and Neck Surgery and the American Board of Facial Plastic and Reconstructive Surgery.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

As a testament to his success, Dr. Krause has been the recipient of the On-Time Doctor Award in 2015.
