Bengaluru, Karnataka Jan 29, 2022 (Issuewire.com) - Batterywale.com operated by Asistmi Solutions P Ltd enters into an agreement with TVS AUTO ASSIST a Brand of Ki Mobility Solutions (Subsidiary of TVS Automobile Solution) to offer Free Nationwide Roadside Assistance to its customers. Ki Mobility offers Roadside Assistance under the brand called TVS Auto Assist to different customers

across India. TVS Auto Assist provides 24/7 Nationwide Services using its own state-of-the-art fleet in 85 major cities and its authorized service providers across 2000+ cities and towns in India. TVS Auto Assist is No.1 reliable Roadside Assistance provider in India.

Under this program, any customer who buys a battery from Batterywale.com will automatically be enrolled in this Nationwide Emergency Roadside Assistance program free of cost for 1 year. Emergency services like Jump Start, Flat Tyre, Towing, Minor Repairs, Key Lockout, Emergency Fuel, Medical Assistance, etc are provided for customers who are stuck on the road while traveling to important destinations. When the customer is stuck, they can call a dedicated toll-free number 18003097502 and the help will be on the way immediately.

“We want to provide our automobile customers a ride with style and safety with a lot of services going forward. This prestigious partnership with a brand like TVS AUTO ASSIST will give our customers a worry-free driving experience when they buy batteries from us.” – says Mr.Praveen Nallapothula, CEO of Batterywale.com

“We believe in offering the best services to our customers. Looking forward to a wonderful association with Batterywale.com to assist and ensure our customers have a safe and hassle-free journey!” – TVS Auto Assist Team
