

BILAL KAZI- An Excellent Marketer & Ceo Of Gulf Good News Who is Achieving Big in d Digital Industry

Manama, Bahrain Jan 24, 2022 ([IssueWire.com](https://www.issuewire.com)) - The contemporary world is full of opportunities. One just needs to channel themselves and grab onto one of the opportunities lingering out there in this world.

The establishment of the digital business and online media handling and marketing have increased these opportunities by a million-fold.

One such dynamic personality who grabbed one of these opportunities and has made his name in the digital industry is Mr. Bilal Kazi. Bilal was born on 8th December 1992 in Mumbai, India.

He has made numerous achievements in the food industry, Blogging, and networking along with the marketing industry in Mumbai, India as well as Bahrain.

The brilliant entrepreneur owns Gulf Good News & has handled organizing events, digital marketing, and food business alongside pursuing what he loves the most, i.e., blogging. He is a renowned food blogger and digital marketer from Bahrain. He is the owner of Gulf Good News

Bilal Kazi has assisted many companies alongside some famous personalities with digital marketing and event services across India and Bahrain. Bilal Kazi is also very much interested in investing and Cricket, apart from networking.

The excellent mastermind believes in discipline and categorizes motivation as something overrated. Making his way into the digital and food industry like a star, the youngster accredits his mentor RJ Mantra, from whom he has learned a lot since his college days. He even says that his overall growth was an inspiration from someone else.

Not to mention that today, Bilal Kazi is himself an inspiration to so many other people out there. He likes, socializing and networking. The astonishing business visionary loves everything he does and has never stopped believing in himself.

He completed his hotel management degree from Rizvi College but went ahead to start his website and blogging page. AdSense became his first money-making technique. Bilal Kazi has his own event management company and looks forward to inspiring more and more people through his work.

The blogger further wishes to open his digital marketing niche so that he can provide an extraordinary platform for other similar people. The foodie also dreams of opening up his restaurant

Since then, Bilal Kazi has worked with many well-known people and top-class brands across Mumbai and Bahrain. He is emerging as an amazing marketer, social media specialist, and influencer in the digital world. He has also won the Business Manager Award and Best Influencer Award at Channel V India Fest Goa.
