

Botanie Press Launches New Art Collection to Bring the Comforts of Nature Home

Botanie Press debuts its first lineup of 2022. Just in time for the new year, the new Jade collection features fourteen elegant and classic designs with multiple framing options.

Los Angeles, California Jan 11, 2022 ([IssueWire.com](https://www.issuewire.com)) - “In an increasingly hurried world, people need a space where they can take a deep breath and enjoy a calm moment in their homes”, said Botanie Press’s co-founder, Yukiko Afuso, in a press release from the brand.

“At launch, we’ll offer an incredible shopping experience with a great range of options. We’ll continue to evolve with time, adding more styles as we learn from customer feedback,” the press release stated.

The collection is rooted in Botanie Press’s values, with ethical manufacturing choices that are good for our homes, our community, and our planet. Botanie Press’s new line is available now at botaniepress.com.
