

Ceo of Trappin Made It Happen: YNW BUCKS_BIG 5

Durham, North Carolina Jan 14, 2022 ([Issuewire.com](https://www.issuewire.com)) - YNW BUCKS_ has his own LLC called Trappin, which he made happen alongside starting his own music label. YNW BUCKS was born in Brooklyn, New York-raised Durham, North Carolina, and Washington North Carolina while staying in the projects with his mother. YNW BUCKS graduated high school even though he was bad. Meanwhile, he has two brothers and one sister which makes him the baby boy out of four siblings. YNW BUCKS success did not come easy, he grew up like any other child in the projects with his mother and dad, doing what he wanted to do. YNW BUCKS was a little bad in school while running the streets. He has always been about his bag, stepping fresh. His mother use to make sure he and his siblings were all good. YNW BUCKS always loved music rapping which is what he likes to do; however, he can do it in his sleep. The challenges, YNW BUCKS had to overcome where he's from like any other in the projects trying to stay alive, get money, and not get arrested you overcome that you winning.

The advice YNW BUCKS would give someone is to “follow your dreams, never give up, I don't care how old I get, I'm always following my dreams even when the odds are against you or what anyone says to be you and be happy with your self”.

YNW BUCKS Brings to the Music Industry

What YNW BUCKS bring to the music industry is he's an Entrepreneur. His mind is always thing about a business and making money. He works for himself trying to do this music hustling on the streets every now and then he tries to work a job, but he's trying to make a name and a brand for himself and grow. The reason why someone should work with YNW BUCKS instead of anyone else has he mentioned, he's FIRE and he's IT. Everything and anything thing I touch is a BANGER I do any type of music rap, pop, the country you name it I can do it don't let my looks fool you I'm a beast with this music I can write 3 or more songs in a day maybe a whole album if I want to and I beat all of the songs will be hits.

What Success Means to YNW Buck

What success means to YNW BUCKS is not to give up target, attack, and achieve He also states, don't talk about it, be about it, walk like it, talk like it, and when you do that, success will be knocking on your front door. The artist YNW BUCKS compares himself to is no one. He is just himself and there is no one like that. The rappers who influence YNW Buck are Big I, Jay Z, Nas, Camron, The Lock JadaKiss group, but this new music right now and artists now he's going to go with Baby Face Ray. YNW BUCKS is influenced by Baby Face Ray bars and style of music his type and that who he would love to work with and also get a feature from him and Kash Doll. YNW BUCKS would like to work with and learn from Kash Doll. She shows love and support for people who underrate her as an artist. YNW BUCKS mentioned.

What's next for YNW Buck

just to keep grinding to achieve my goals to success, keep doing me staying in my own lane-keep doing what I love and raise my kids to be there for them and my family and keep screaming trappin made it happen because let me tell you trappin definitely made it happen for me.
