

Charles D. Best, MD, FACS, a Urologist with Grays Harbor Community Hospital

Get to know Urologist Dr. Charles D. Best, who serves patients in Aberdeen, Washington.

New York City, New York Jan 10, 2022 (IssueWire.com) - An established urologist, Dr. Best is in practice at Grays Harbor Community Hospital in Aberdeen, Washington. His areas of clinical interest include the urinary system, urologic oncology, and prostate.

Academically, Dr. Best graduated with his Medical Degree from the Keck School of Medicine of the University of Southern California in 1992. He then went on to complete his residency in general surgery at the University of California, San Francisco, and his residency in urology at Stanford University.

A Fellow of the American College of Surgeons (FACS), the doctor is board-certified in urology by the

American Board of Urology (ABU). The mission of the ABU is to act for the benefit of the public by establishing and maintaining standards of certification for urologists, and working with certified urologists to achieve lifelong learning to ensure the delivery of high quality, safe, and ethical urologic care.

To stay up to date in his field, he remains a professional member of the American Urological Association, the Western Section Associate, the American Association for Surgery of Trauma, and the Genitourinary Reconstructive Society.

Urology, also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary-tract system and the male reproductive organs. Urologists specialize in diseases of the urinary tract and the male reproductive system. Patients may be referred to a urologist if their physician suspects they may need treatment for a condition relating to the bladder, prostate, urethra, ureters, kidneys, and adrenal glands.

Among his various accolades, Dr. Best has been the recipient of the Traditional Award of Merit from the Comprehensive Kidney Stone Center, the Passionate Performance Award – LAC+USC Healthcare Network recognition in 2010, Patients' Choice Award in 2008, and the Outstanding Faculty Award – Keck School of Medicine in 2003.
