

Consus Global Partners with Westfall to drive sourcing & procurement efficiencies

New York City, New York Jan 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - [Westfall Technik](https://www.westfalltechnik.com), a global leading plastics manufacturer is pleased to announce details of its partnership with [Consus Global](https://www.consusglobal.com), a trusted global supply chain solutions provider to drive procurement efficiencies and manage their spend data with a target of multi-million dollar savings for Westfall through their Sourcing Services.

Westfall Technik, Inc. provides plastics manufacturing solutions. The Company offers solutions to the medical, packaging, and consumer goods industries.

As part of this initiative, Westfall has engaged Consus Global, a leading global integrated supply chain advisory and services organization, which is expected to deliver significant ongoing cost savings, and improved operational effectiveness.

“Westfall is excited to initiate this journey with Consus Global and look forward to the supply chain optimization, achieving our targeted cost savings, improving our supplier collaboration through automated tools, and overall process efficiency in our Procurement Function,” says Tom Mannion, Advisor to the CEO.

“Westfall Technik follows the philosophy of doing business by being nimble, scalable and comprehensive,” said [Saurabh Mehta](#), Managing Partner of Consus Global. “The company’s focus has always been about delivering exceptional customer experience and delivering lasting customer value. Coincidentally, this is the Consus ethos as well. Cost savings, improved supplier collaboration, and

better spend visibility are the key pillars of Consus' sourcing services. Customer experience and a value-driven approach to cost savings are what we thrive on at Consus. This engagement represents the start of a strategic partnership with the explicit goal of improving Westfall Technik's profitability and shareholder value. We are excited to be partners in the Westfall Technik journey."
