

Delta Medical Establishment officially announces iHealth UAE. Strives to Meet Increasing Consumer Demands.

The online destination introduces an exciting line up of premium health, wellness and beauty products

Abu Zabi, United Arab Emirates Jan 19, 2022 ([Issuewire.com](https://www.issuewire.com)) - Today, Delta Medical Establishment the UAE's leading distribution agent for multinational products in health and beauty announced her new baby, an authorized e-retailer for premium wellness, health & beauty products in UAE. i-Health dot AE.

With the announcement of i-Health UAE comes certified premium brands of wellness, beauty, and personal care products online, delivered within 24 hours all over UAE.

Founded by Delta Medical Establishment, i-Health dot AE is a one it's kind platform housing a portfolio of renowned international brands from around Europe including Rausch, Weleda, Ayumeda, Dalton, Frezyderm, Medex, and more.

Clean, natural, and organic wellness and beauty are on the rise in the region as the community seeks to find products that are sourced and manufactured following ethical and environmental standards. I-Health dot AE was introduced to meet the increasing demands of consumers who want their health, beauty, and personal care products to be clean, natural, and “free-from” with as many undesirable traits as possible.

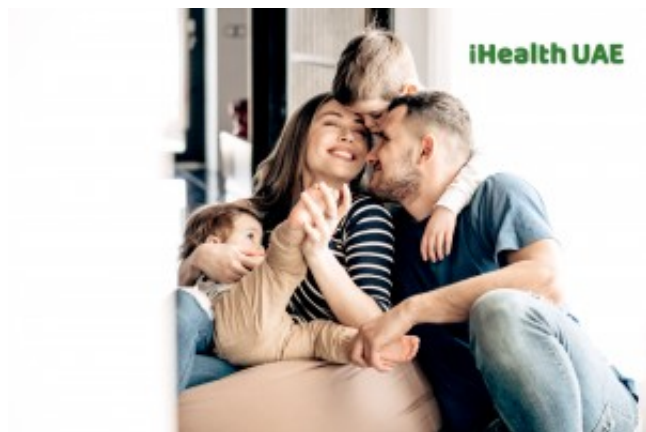

“We take pride in correctly evaluating and selecting the best available brands in the world to cater to our customer needs. We pick those brands that can address the real market demand. Current demands like authenticity and a means of self-expression. Consumers, across generations, have increasingly focused on these factors. We find that this demand is keenest with this generation. This generation is inclined towards the adoption of sustainable practices. And we endeavor to address them.” said Doctor Abdul Kareem Al Fahim, Founder, Delta Medical Est.

iHealth strives to provide complete transparency and continues with the aim to both empower & educate their customers.

“I believe that increasing consumer awareness and providing support through a local company will hold the backbone of demand for organic beauty and wellness products in the UAE,” concluded Dr. Al Fahim.

The quick and convenient i-Health.AE website lists down product descriptions, the ingredients it contains, and how to use the product.

iHealth also features a mobile-friendly interface- which shoppers can easily browse on and purchase from a wide selection of products. Secure online payment methods, a helpful live chat, and a toll-free customer service contact.
