

Diya Saini Injects Laughter Back Into The Life With Her Book, 'The Laugh On The Skipping Skating Samurai Rope'

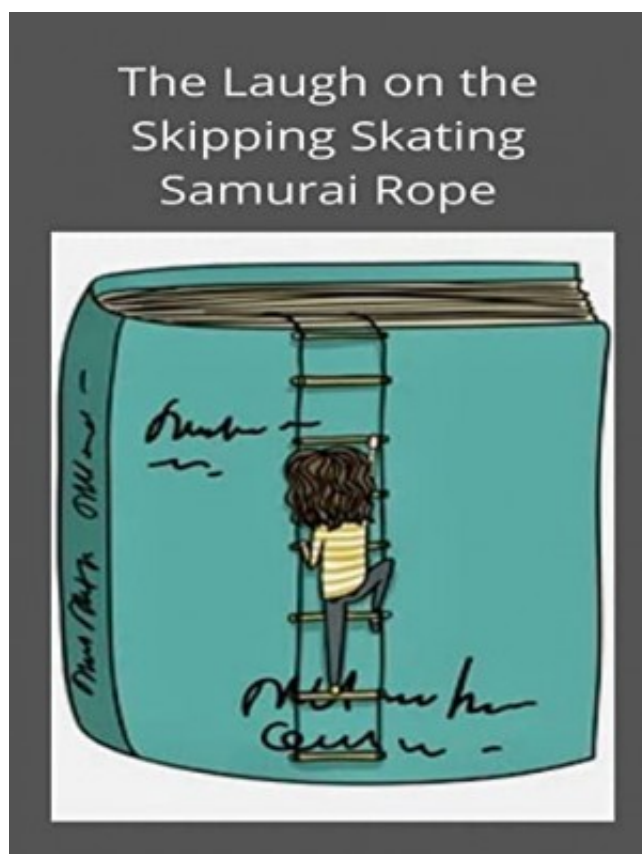

Established author Diya Saini brings a collection of medley adult and humorous jokes with her new creation, 'The Laugh on the Skipping Skating Samurai Rope'.

New Delhi, Delhi Jan 21, 2022 (Issuewire.com) - The use of humor in literature has progressed immensely over the decades. The old souls across the world need something more than regular humor. Prominent Indian author **Diya Saini** has been quenching the thirst of such readers with her countless books. She has once again won the hearts of the audience with her newly released book, **'The Laugh on the Skipping Skating Samurai Rope'**. **The book was published on January 18th this year on Amazon and is available on** Kindle, Hardcover, and paperback versions. The book features a massive collection of jokes based on different aspects of life such as relationships, sex, society, politics, and more. The jokes are extremely relatable to the audience, giving them something to laugh about.

The gifted artist tells that life is a brutal reality and it can make people its puppet if they don't give up and surrender. Her book reminds the readers to take some time off their busy yet mundane reality and enjoy the moment with her witty gags. The jokes are so versatile, they hit the spot right with their cunning and unapologetic presentation. The book is arranged perfectly, slowly unfolding her thoughts and feelings on different matters. It will make people forget all their worries and get in touch with their inner witty self. Some of her other finest books are 'Same Pinch', 'Kohinoor Web', 'June Bull Taint', and 'Pretty Woman 2' among many.

Diya Saini is not a new name in the world of modern literature; she has written quite a number of books over the years. She has a rich educational background. She has honors in political science, computer programming certification from the NIIT, MBA in marketing, and a fashion designing certification from the NIFT. She worked in various fields before she found her calling in writing. She wholeheartedly likes to write and make people laugh. In her quest to bring laughter into people's boring life, she has written **'The Laugh on the Skipping Skating Samurai Rope'**. **The book is now available on Amazon. Well, you can also follow her website and Twitter to gather more information about her upcoming books and future plans.**
