

Dyllan Rae Announces its Eczema Cream Infused with Jamaican Black Castor Oil

New York City, New York Jan 27, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dyllan Rae proudly announces the release of its Eczema Cream. While the cream is suitable for all skin types, it has been crafted specifically with melanated skin in mind. The cream is available for purchase through the official website: <https://dyllanrae.com>. It is formulated with a rich infusion of Organic SheaButter, Cocoa Butter, [pure Jamaican Black Castor Oil](#), and more rich ingredients for a soothing effect on your skin.

Whether you or your loved ones are suffering from eczema and other skin conditions such as itchiness, inflammation, and dry, sensitive skin, the cream is worth trying your hands at regardless of your age. The good thing about Dyllan Rae's calming and soothing eczema cream is that it provides natural relief to a variety of skin conditions. It works great on melanated skin that has been overlooked, ignored, and forgotten for years.

Dyllan Rae Eczema Cream Ingredients

Every jar of this eczema cream contains the goodness of:

- **Shea Butter** that acts as a natural emollient and humectant to lock in moisture while making skin smooth and hydrated.
- **Cocoa Butter** that can build a strong protective barrier over skin that can lock in moisture and can protect against environmental damage and free radicals.
- **Mango Butter** that is a rich source of vitamin A and can promote skin renewal by producing new, healthy skin cells and can promote skin elasticity too.
- **Organic Sunflower Seed Oil** that can maintain the skin's natural barrier and help retain moisture and fight bacteria and germs with its anti-inflammatory agents.
- **Organic Hemp Seed Oil** that is full of fatty acids that can promote an immune response to calm inflammation.
- **Organic Black Castor Oil** that is popular for its ability to help your skin get rid of bacteria because of its anti-fungal and anti-inflammatory properties.
- **Grapeseed Oil** that can moisturize and condition skin while working as a protectant.
- **Sweet Almond Oil** that can lock in moisture, prevent dehydration and act as a great emollient that helps to make your skin smooth.
- **Aloe Leaf Extract** that contains minerals and is known for its anti-inflammatory process.
- **Cucumber Fruit Extract** that is rich in proteins, lipids, vitamin C, and a number of natural minerals that have moisturizing and emollient properties.
- **Orange Fruit Extract** that is known for promoting collagen production that enhances the thickness of the dermis.

Dyllan Rae Eczema Cream Benefits

For those, who are looking for a product that has a calming effect on their skin, Dyllan Rae Eczema Cream is surely a must-try. Apart from that, here are the most important properties of this cream that make it worth being a part of your skincare routine.

- **Moisturizing**
A good moisturizer can help you build a barrier between your skin and the climate, especially when it is cold outside and dry air can make your skin rough with dry patches. [Dyllan Rae Eczema Cream](#) is an ingredient-rich cream that can make your skin smooth and lustrous by combating dryness to a great extent.
- **Hydration**
This eczema cream is a much-needed product if your skin has a hard time retaining moisture and nutrients which are needed for healthy skin. When you apply the cream to your skin, you will feel the mixture of fatty acids, minerals, and vitamins working on the skin so that you can retain and lock in moisture.
- **Protection**
Using a moisturizer every day can reduce the chance of developing extreme oiliness or dryness. Not to forget, extremes of both of these can result in acne. This eczema cream can provide a

protective barrier for the skin against harmful agents that can invade and trigger an inflammatory response.

- **Restoration**

With this moisturizer, you can immediately hydrate your skin by softening dry, stiff surface cells. It supports your immune response to battle inflammation. When you apply it daily on your skin, it fortifies the skin through healing, strengthening; as well as revitalization.

How to use Dyllan Rae Eczema Cream?

The best part about using this wonder cream is that it works equally well for adults and kids. It is composed of all-natural ingredients and is free of chemicals such as Alcohol, Parabens, Petroleum oils, and Fragrances to name a few. For best results, you must use the cream twice daily. Try applying it immediately after taking a bath or washing your face when the skin is damp. The cream can be applied as soon as you see a flare-up. And when it's gone, you can keep using it as your daily moisturizer.
