

# Ecosmob Technologies recognized by CIO Insider Magazine in the top 10 UC Solutions providers 2021

Ecosmob is bestowed as one of the top 10 Unified Communications Solutions Providers in 2021 by CIO Insider magazine.

**Ahmedabad, Gujarat Jan 24, 2022 ([Issuewire.com](https://www.issuewire.com))** - Ecosmob Technologies, Ahmedabad, Gujarat, India, 21/01/2022, award-winning IT solution provider, has been bestowed as one of the top 10 Unified Communications Solutions Providers in 2021 by CIO Insider magazine.

“Unified communication solutions are gaining popularity across all business communication spaces. In such a competitive market, Ecosmob is setting new benchmarks with advanced VoIP solutions,” stated CIO Insider Magazine.

An acclaimed panel of CIOs, CEOs, researchers, VCs, and the CIO Insider Magazine editors were asked to identify the growing companies offering Unified Communication solutions. Winners of the [top 10 most renowned companies](#) were announced based on their proven track record of delivering core offerings, robust experience in market competencies, global clientele, awards, and recognition.

“We are honored to have been recognized by CIO Insider Magazine. As communication is an integral part of businesses and how it’s growing rapidly, we continue to strive to deliver custom yet advanced unified communication solutions that meet the diverse business models. We aim to empower businesses with new-age technologies and offer rich user experiences to enterprises worldwide.” stated Maulik Shah, Co-founder & Director, Ecosmob Technologies Pvt Ltd.
