

Ejaz Ahmed, MD, a Family Physician with Urgent Care & Family Practice Center

Get to know Family Physician Dr. Ejaz Ahmed, who serves patients in Daytona Beach, Florida.

New York City, New York Jan 5, 2022 ([Issuewire.com](https://www.issuewire.com)) - An experienced family physician, Dr. Ahmed sees patients at his private practice - Urgent Care & Family Practice Center - in Daytona Beach, Florida. A compassionate, caring, sympathetic, and polite physician, he treats infants, children, men, women, and elderly patients. He has a family of his own and understands the concerns patients have and the assurance they need.

In regards to his educational background, he is a 1995 graduate from one of the topmost medical colleges in Southeast Asia, King Edward Medical College in Lahore, Pakistan. He completed his residency training in neurology and general surgery in 1996. He also worked in dermatology and pediatrics. He passed his FCPS part one exam and worked in cardiology and internal medicine. Afterward, he opened up his own clinic and worked as a general practitioner in Pakistan for a few years.

After relocating to the United States in 2000, Dr. Ahmed worked in an urgent care center for 3 years. From there he was matched in the Mercy Health Partner Family Practice Residency Program in Toledo, Ohio where he completed his 3-year residency in family medicine. At that point, he moved to Port Orange, Florida, and worked in an outpatient setting for 2 years. He was also the Medical Director of a Federal Government medical clinic for 2 years in DeLand.

Throughout his career, he has worked at multiple urgent care centers for 4 years and subsequently worked as a hospitalist with different groups for 5 years. Today, he works at his own practice and continues to treat his patients with incredible care leaving them feeling happier and healthier.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

As a testament to his success, Dr. Ahmed was recognized as achieving the highest level of patient care by the National Institute of Quality Assurance, Inc in 2014 and 2015. He has also been recognized by the International Association of Healthcare Professionals as a Leading Physician of the World and Top Family Medicine Physician in Florida.
