New York City, New York Jan 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - Tapping into new levels of online dating, FlirtTool's ultimate creation of AI personality MAZU helps you pair with someone that is 94% your perfect match. The more time you spend on FlirtTool, the more MAZU gets to know you and your interest, creating a personal and unforgettable experience as you search for your true love connections wherever you are in the world. In partnership with international influencers, FlirtTool connects the typical dating app features with the concept of a community where you can come in for tips and stories about popular daily-life topics.

Sign up now and enjoy a 1-hour free chat pass to feel the new dating experience.

FlirtTool and Mazu are brands of Dialogmakers International Ltd, Taiwan. All rights are reserved.
