

Getting to Know Upcoming Artist 2

Asbury Park, New Jersey Jan 19, 2022 (IssueWire.com) - Upcoming Artist 2 from Asbury Park, New Jersey. 2 could've played ball, but instead he's giving his fans the real story of a misunderstood man. 2 has been able to get this far because every time somebody told him that he couldn't do it. He has shown them exactly the opposite. 2 is the true definition of resilient. 2 success has been blocked by non-support and hate from the area he's from. Nobody thought that 2 would blow up this fast and make it to where he's at today. Its people who grew up listening to where 2's from and now they ask him when the next song dropping. Success for 2 "you must stop looking where ever you are and look deep inside yourself because if you don't see success in you, it will never be found in the world". He really specializes in becoming himself. A lot of people in the industry are pushing other people's sound and want to be a look-alike to get on. 2 is himself through his music as he makes R&B drill music. He sings without auto tune then gives you real passion right after in punchlines and metaphors.

2 mentions, "Success is knowing you the king of the jungle with out growling or saying a word at all. However, it's something in you not on you a women or man can feel it pouring off you and it intimidates them because they might not have it for them selves yet". What's next for 2, he has sold out shows, he made money off his music now. He wants to hit the big screen and start changing the world, he also wants to give the youth hope when they hear his story. 2 is ready to go global and give back to every human who needs.
