

Hass Shafia, MD, FACC, a Cardiologist in Private Practice

Get to know Cardiologist Dr. Hass Shafia, who serves patients in Philadelphia, Pennsylvania.

New York City, New York Jan 20, 2022 ([Issuewire.com](https://www.issuewire.com)) - A top professional in the field of cardiology, Dr. Shafia works with patients at his private practice in Philadelphia, Pennsylvania.

A native of Iran, he graduated with his medical degree from the Tehran University of Medical Sciences. Upon relocating to the United States, he completed his residency in internal medicine at the Metropolitan Health Center, and his fellowship in cardiovascular disease at Philadelphia General Hospital.

Distinguished as a Fellow of the American College of Cardiology (FACC), the doctor is board-certified in cardiovascular disease and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Cardiology is a branch of medicine that deals with disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiologists are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).
