

Isaac Gueye is rising with two new tracks to keep your soul grooving all the time

Supremely talented DJ Isaac Gueye from Paris has come up with his two new brilliant tracks 'Deep Reality' and 'Lunar' which will make you dance to its beats.

Paris, Jan 8, 2022 ([IssueWire.com](https://www.issuewire.com)) - DJ is all about powerful bass and loud music, which can engage a wider audience. Supremely talented electronic music artist **Isaac Gueye** from Paris is back with his two new spectacular tracks of '**Deep Reality**' and '**Lunar**', which is a perfect combination of crisp music and heavy beats. The artist is deeply passionate in search of new musical gems and is

never afraid to go deep as he believes that his emotive selections are his own therapy. The artist's pure talent and tremendous potential have been conveyed by some of his other tracks, which include **'Keep On Movin', 'Nomade', 'Celebrate Yourself'**, and many more.

Hailing from Paris, France, **Isaac Gueye** started his journey way back in 2012 when his inspiration came from his trip to Ibiza, Spain. The artist decided to work on himself and become a well-renowned DJ. His journey started exactly from Dakar city, the place where he was residing at that time where he came up with his love for house music to a wider audience. The artist has mastered his field of work and is carrying exceptional experience with him.

The independent and gifted artist is setting records with his series of productions. His style and charismatic presence along with his brilliant personality are very rare to find and a personality like this is craved by many DJs from all around the world. The artist's tracks of **'[Deep Reality](#)'** and **'[Lunar](#)'** are available on Spotify. Follow him on [Instagram](#) and [Facebook](#) for staying updated on all his upcoming releases and more.
