

IVA India launches Anytime Portal An Online Portal Offering Astrology Training

Indore, Madhya Pradesh Jan 8, 2022 (IssueWire.com) - Institute of Vedic Astrology has been seeking to bring conventional knowledge of astrology, Vastu, numerology, palmistry, and all subjects jointly with modern methods of learning and its implementation. It offers expertise in Astrology, Vastu, and all subjects and creates a way for a successful career. Institute of Vedic astrology wishes to deliver confidence to the learners to stand in the crowd without any hesitation and achieve what they aspire. Our team is working endlessly to provide quality learning, training, and knowledge with a stable learning environment.

What does IVAIndia offer?

Astrology is an art and the Institute of Vedic astrology is continuously working to make people learn this art. Institute of Vedic astrology offers a variety of courses that stimulates people to get expertise in every field of astrology the courses it offers are:

- **Face reading course**

Institute of basic astrology offers a [face reading course](#). Face reading is also known as physiognomy is a historical art that analyzes a person's character and traits. Every feature of a person's face has great psychological illumination. Institute of Vedic astrology offers India's first systematic and broad face reading course.

- **Palmistry course**

Palmistry helps in consoling that your fortune is in your hand. [Online Palmistry](#) is the art of hand and palm reading and predicting the nature, behavior, and future of a person. Palmistry becomes a center of attraction in family gatherings or parties. Institute of basic astrology offers a palmistry distance learning course. It is one of the popular courses that the institute of basic astrology offers.

- **Astrology course**

Astrology is a tricky language if you understand it the sky narrates to you. Astrology is also called the eyes of Veda. It is the science of studying stars, planets' movements, relationships, and how they will impact human life. It is one of the most popular courses that is offered by IVAIndia.

- **Vastu course**

Vastu is one of the initial teachings about Indian culture. [Vedic vastu shastra](#) focuses on restricting the construction and elaboration of buildings, structures, and the interior of the home. Vastu is a practice for bringing good health, wealth, peace, and prosperity to people's lives and their homes. Vastu course holds everything that a person needs to know to bring positivity in their life.

Institute of Vedic Astrology launches Anytime Astro

The institute of basic pathology has recently launched the Anytime Astro which is an online portal that helps users to connect globally with astrologers and seek consultation. Through the online portal, the users get astrological guidance via live classes, live calls, and chats. It is very easy to connect with the Institute of Vedic astrology. The astrologers are also teaching them to solve multiple case studies and readings to assure that they get the most detailed predictions and consultation with Anytime Astro.

The website of Anytime Astro is very easy and convenient to use. It is free to use but includes the purchase. Once you have logged in to the website you will find several skilled astrologers. All you have to do is to top up any of the astrologers' profiles with Anytime Astro and select a suitable astrologer after viewing their profile. You will be able to compare the qualification, experience, language, reviews, ratings, specialization, etc. And able to choose the best astrologer of your preference.

This is a modern alternative for ancestral Astrological consultations where the pleader had to pay a visit to astrologers and get their predictions. The service facilitates users to consult with popular astrologers after getting registered with Anytime Astro easily through their phone and get instantly personalized answers to their queries.

Motive Behind Launching Anytime Astro

With the launch of Anytime Astro, the motive is to create astrological guidance vulnerable to all. Institute of Vedic astrology aims to reach out to everyone who needs consultation and going through a rough phase. Anytime Astro enables you to connect with experienced astrologers. Astrology holds a big impact on people who believe in it. Anytime Astro helps in solving their queries, giving accurate answers, and providing the best possible way to its users.

Summing up

Astrology holds a balance in personal life for the people who need help and consultation the first thing

that comes to their mind for solving their problem is astrology, Institute of Vedic Astrology is making sure that people don't face any inconveniences and as a reason, it is offering various courses for the keen learners and Anytime Astro for the people need to have a talk or consultation, providing best services and easy login facility to anytime Astro [Institute of Vedic astrology](http://www.ivaindia.com) is leaving no stones unturned in providing it's best services to the users having queries, doubts, regarding astrology it is making sure that it provides them with the best astrologer consultant to solve their queries and with Anytime Astro it has become easy to get advice from a well-known astrologer.
