

Jyoti K. Randhawa, MD, a Psychiatrist with Silver Oaks Behavioral Hospital

Get to know Psychiatrist Dr. Jyoti K. Randhawa, who serves patients in New Lenox, Illinois.

New York City, New York Jan 4, 2022 ([Issuewire.com](https://www.issuewire.com)) - A highly trained psychiatrist, Dr. Randhawa is the Chief Medical Officer at Silver Oaks Behavioral Hospital in New Lenox, Illinois. She brings established leadership experience to the hospital having held previous CMO positions within other organizations. She strives to provide optimal standards of care for patients, stands as an advocate for those with mental health conditions, and brings awareness of mental health to the community.

Silver Oaks Behavioral Hospital specializes in mental health and substance use disorder treatment. Their 110-bed facility is equipped with the latest safety features designed to provide patients with a comfortable environment to receive therapeutic care. Their therapy modalities are evidence-based models proven to decrease symptoms of mental illness and help patients find lasting change.

Pertaining to her educational pursuits, Dr. Randhawa earned her medical degree at Spartan Health Sciences University in 2005. She then went on to complete her general adult psychiatry training at Michigan State University in 2010, followed by a fellowship in child and adolescent psychiatry at the University of Chicago in 2012.

An authority in her field, the doctor is board-certified in psychiatry and child & adolescent psychiatry by the American Board of Psychiatry and Neurology (ABPN). The ABPN is a not-for-profit corporation dedicated to serving the professions of psychiatry and neurology.

Strongly committed to the pursuit of higher education, she has held positions as an Associate Professor of Psychiatry at Rosalind Franklin University and as a Supervisor for Nurse Practitioners.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.
