Shenzhen, Guangdong Jan 7, 2022 (Issuewire.com) - For some people, Christmas is the most highly anticipated day throughout the whole year, while for others, the subsequent New Year sales season may take the center stage. To help people start to prepare and celebrate the New Year with the best offers, Leawo Software, a company specialized in multimedia solutions and data management software, recently unveiled their [2022 New Year Contest, Giveaway, & Specials](#), including up to 91% discounts on their top-seller products, 30% site-wide coupon code, chance to win iPhone 13 Pro Max and Amazon gift card, Music Recorder freebie, and more.

Among all deals in this event, the mega 91% off 4-in-1 iOS solution bundle is the most worth buying product. Consisting of iTransfer, iOSFix, iOS Data Recovery, and Tunes Cleaner, this bundle is able to help people transfer data and files between iOS devices, computers, and iTunes, repair iOS/tvOS system, clean up iTunes and other music libraries, recover data and files from iOS devices, iTunes and iCloud, etc. Starting today, until Jan. 20th, 2022, people can enjoy a 91% off discount on this powerful all-in-one iOS solution bundle. That is, the lifetime license of this all-in-one iOS solution bundle is now available at the price of \$19.98 for a limited time. Instead of its full price, people can save \$189.82 for this event. For detailed introductions to each software in this bundle, walk through the following.

- [Leawo iTransfer](#), as the best iOS data transfer software, provides the most effective solution for iPhone, iPad, and iPod transfer. Without restriction and limitation of iTunes, people can easily transfer up to 12 kinds of files like photos, videos, music, SMS, contacts, ringtones, etc. between iOS devices, iTunes, and computers. In addition to an iOS transfer tool, it can also act as a powerful iOS data manager, which helps users take full control of their media files without effort.
- [Leawo iOSFix](#) is an iOS/tvOS system repair tool, empowering users to troubleshoot all software-related problems at home. With Standard and Advanced modes, it can fix 50+ iOS/tvOS issues such as being stuck on the Apple logo, black screen of death, iPhone keeps restarting, iPhone

no service, etc. Thanks to a powerful online database, this software can recognize all iOS/tvOS system versions, and provide them with the best system firmware solutions for system repairing. Plus, there is a button to help users enter or exit Recovery Mode in one click.

- [Leawo Tunes Cleaner](#) is an all-in-one iTunes music library cleanup program that provides the most effective solution for users to clean up their iTunes library and another music library in clicks. It can automatically and intelligently detect and delete duplicates in iTunes, get album artwork, fix music tags in batch, and more. Apart from auto music tag repair, users can also edit music tags like song name, artist, album, etc. manually.
- [Leawo iOS Data Recovery](#) is an all-inclusive data recovery tool for iPhone, iPad, and iPod, which is capable of recovering deleted or lost data for all models of iOS devices. With 3 repairing modes, people can choose to recover up to 14 kinds of iOS data like photos, videos, contacts, messages, bookmarks, and more from iTunes backup, iCloud backup, or the iOS device itself. Furthermore, powered by advanced data scanning and recovering technologies, this iOS data recovery tool can scan and recover iOS data at 20x higher speed, providing the safest and most accurate iOS data recovery experience.
