'Legends Rise' is the Ultimate Rocking Track by Barnabas Sky Highlighting their Immense Potential and Hard Work

All-star hard and heavy project Barnabas Sky has presented their yet another rocking musical creation 'Legends Rise' which will surely make you groove to its tunes.

Rheinbreitbach, Jan 4, 2022 (Issuewire.com) - Rock is a much-loved genre in the music industry and is quite popular among music enthusiasts. Supremely talented and hard and heavy project Barnabas Sky has come up with their awesome new track 'Legends Rise' featuring Danny Vaughn in their album of Inspirations. The rocking guitar tunes along with the loud drumbeats make the song one of a kind. The pure dedication from the artist/band behind the track Markus Pfeffer who is also a renowned guitarist, composer, and multi-instrumentalist is being purely highlighted with their new track. Their Label/Production team pride and Joy Music is well known around the world for their commendable productions.

Born in Kaiserslautern, Germany, the new artist Markus Pfeffer who has named the project <u>Barnabas Sky</u> is contributing to the music industry for the last three years. Some of their other works are 'All die Jahre', 'Neubeginn', 'Lass mich in Ruh', which are worth applauding. The talent and the energy they are progressing with will surely make them one of the faces in the future. Their new track is a perfect combination of powerful bass and rocking tunes. The entire composition of their new track is very rare.

The versatile and gifted artist/band is inspiring the upcoming generation who are having a dream of

being a Rock star one day. The artist is leaving its mark and setting a new trend for Rock productions. The artist has mastered himself in this field. Listen to their new track '**Legends Rise**' only on Spotify. Do follow them on <u>Facebook</u> and <u>YouTube</u> for getting all the updates of their upcoming releases and more.
